Drugs and Alcohol

Revision: 6

Date: 10/1/2021

This section contains procedures for preventing and identifying the use of prohibited drugs and alcohol.

O.1 PROHIBITED DRUGS**Subpart "F" Part 120**

All The Company employees who perform safety sensitive functions as listed and defined in Subpart "F" of Part 120, are trained in accordance with Subpart "F" of Part 120. Furthermore any outside contractor used by The Company must be trained in accordance of this appendix. This program is managed by OM MANAGMENT and is a part of The Company Operations Specifications.

O.2 USE OF PROHIBITED DRUGS**Subpart "F" Part 120**

The Company will not knowingly use any person to preform, nor may any person perform for the company either directly or by contract, any function safety sensitive function while that person has prohibited drug in his or her system.

The company will not knowingly use any person to perform, nor may any person perform for the company either directly or by contract any safety function if the person has a verified positive drug test on or has refused to submit to a drug test required by Subpart "F" of Part 120, and the person had not met the requirements of Subpart "F" Part 120 for returning to the performance of his/her duties.

O.2.1 TESTING FOR PHIBITED DRUGS**Subpart "F" Part 120**

The company has established a Drug Testing Program. The program has been implemented in accordance with subpart "F" of Part 120. This program is under a contract with an FAA Approved Consortium/ OM MANAGEMENT.

The company will not use any person who meets the definitions of "covered employee" to perform safety sensitive functions unless that person is subject to testing for Drugs in accordance with Subpart "F" of Part 120. The company must not use any contractor to perform a function listed in this section unless that contractor tests each employee performing such a function for the company in accordance with the Subpart.

O.3 MISUSE OF ALCOHOL

No company employee shall report for duty or remain on duty requiring the performance of safety sensitive functions while having an alcohol concentration of 0.04 or greater. The company, will not, having actual knowledge that an employee has an alcohol concentration of 0.04 or greater shall permit the employee to perform or continue to perform safety-sensitive functions.

Section: O

Drugs and Alcohol

Revision: 6

Date: 10/1/2021

ON DUTY USE: No covered employee shall use alcohol while performing safety sensitive functions. The company will not, having actual knowledge that a covered employee is using alcohol while performing safety sensitive duties shall permit the employee to perform or continue to perform safety sensitive functions.

PRE DUTY USE: No covered employee shall perform duties within 8 hours (company policy) after using alcohol. The company, having actual knowledge that a covered employee has used alcohol within 8 (company policy) hours shall not permit the employee to perform or continue to perform safety sensitive functions.

No covered employee shall perform safety sensitive functions other than those specified within 4 hours after using alcohol. The company, having actual knowledge that a covered employee has used alcohol within 4 hours shall not permit the employee to perform or continue to perform safety sensitive functions.

USE FOLLOWING AN ACCIDENT: No covered employee who has actual knowledge of an accident involving an aircraft for which he or she performed safety sensitive function at or near the time of the accident should use alcohol for 12 hours (company policy) following the accident, unless he or she has been given a post-accident test under Subpart "F" of Part 120, or the employer has determined that the employee's performance could not have contributed to the accident.

REFUSAL TO SUBMIT TO A REQUIRED ALCOHOL TEST: No covered employee shall refuse to submit to a post-accident, random, reasonable suspicion, or follow up alcohol test required under Subpart "F" of Part 120. The company shall not permit covered employee who refuses to submit to such a test to perform or continue to perform safety sensitive functions.

O.3.1 TESTING FOR ALCOHOL

The company has established an alcohol misuse prevention program. The program has been implemented in accordance with Subpart "F" of Part 120. This program is under a contract with an approved Consortium. The company will not use any person who meets the definitions of "covered employee" to perform safety sensitive functions unless that person is subject to testing for alcohol misuse in accordance with Subpart "F" of Part 120.

O.4 PRE-EMPLOYMENT TESTING

Prior to employment with the company all applicants shall be sent for a pre-employment drug & alcohol test in accordance with its Florida Drug-Free workplace program.
