SUBJECT: SEAT BELT USAGE

APPLICABLE TO: ALL ULTRA AOA Drivers

Recently an ULTRA agent suffered a severe injury when he failed to use the proper PPE, provide on the tug he was riding. He was not using his seat belt and as the tug turn he flew from the passenger seat

Our SOP dictate that

- 1- SEAT belts will be used by both passengers and drivers in all ground support equipment, that are equip with them**
- 2- You will not drive any GSE unless you have been certified to do so by a competent instructor**
- 3- When driving in the AOA you will always have in your possession a Valid FL drivers license, the MDAD drivers permit and your airport ID**
- 4- You will not operate a piece of GSE that is not in optimal conditions**

Any deviation from these SOP will result in strong disciplinary actions up to and including separation from your employment with ULTRA Aviation

**Remember NOT using your GSE seat belt can result in severe injuries as well as severe monetary fines
chapter 25 of Miami Dade punishes this violation with a \$250.00 civil fine against YOU**
